

10 reasons to be a member of Aviation New Zealand

1. Advocacy

We are the voice of aviation on your behalf. We exist to keep you safe and to keep you in business.

Our united voice, representing industry, makes us all strong – government and the media listen and act.

We are experts on industry issues – and lead policy reform to get a better result for industry.

2. Save you Money

\$7248 - is the average saving an Aviation NZ member gets from their Aviation NZ membership

\$2410 – this is the average saving an Aviation NZ member gets from their N3 membership – FREE to Aviation NZ members.

3. Industry Sponsors and Supporters

We work hard to lock in industry sponsors and supporters – these partnerships provide a collective benefit for all of us – and allow us to keep costs to members as low as possible.

- We partner with insurers to obtain better terms for members – and to improve the accident and loss rate for insurers
- We partner with Business NZ to leverage their influence to reduce your compliance costs.

4. Dedicated Executive Officers

We have experienced and dedicated executive officers for each of our Divisions. They work daily to resolve the key issues you face and have over 70 years combined experience in the aviation industry.

5. Member Helpline

A friend when you need one. We provide free, confidential and practical advice to our members – whenever you need it. We are experts on industry issues – and experienced operators. Call us anytime. 04 472 2707

 <p>John Nicholson - government relations, policy submissions, export, aviation training and UAV (drones) sectors</p> <p>Mobile: 027 600 9156 Email : John.nicholson@aviationnz.co.nz</p>	 <p>John Sinclair – agricultural aviation, rotary sector, SMS, AIRCARE™</p> <p>Mobile: 0273142151 Email: sinclairjg@gmail.com</p>
 <p>Andrew Nicholson – Tourism Flight Operators, general membership issues, finance and administration</p> <p>Phone: 04 472 2707 Email: Officemanager@aviationnz.co.nz</p>	

6. Peer Support

Aviation NZ members have access to a confidential support network of over 300 members. We share advice on key industry challenges, best practice in safety and operations and how to improve our businesses. We have over 1500 connections through our database – and can connect you with like-minded people and share ideas to help grow your business.

7. Member Only Resources

We have lots of FREE resources for members to help make your life easier. These are developed by operators for operators – so they are practical and useful. We do it so you don't have to.

- Safety Management Systems Manual Template
- Fatigue Risk Management Plan Template
- Privacy Policy and template
- UAV Risk assessment guide and template
- Employment agreement builder
- NZ Aviation story for international promotions

8. Aviation NZ Annual Conferences & Events

Every year we hold the ONLY aviation industry annual conference. This event provides a unique opportunity to engage with the whole NZ aviation industry in one place at one time. This provides fantastic opportunities for our members, stakeholders, suppliers and exhibitors.

We also bring global Industry leaders and NZ experts to you – to share insights to help you succeed.

9. Divisional Meetings

All six of our Divisions meet regularly to network, share common issues and challenges, and work out our industry priorities in a collegial and supportive environment. And we'll shout a coffee or beer afterwards.

10. Invest in the future of the NZ Aviation Industry - or there won't be one

Aviation NZ has been the voice of NZ aviation since 1950 – so we have figured out how to be effective. We want to make sure NZ has a thriving aviation industry in 2050.

In today's instant world bad news travels fast – if there is an accident or incident – our reputation, industry and livelihood are all instantly affected. So we all need to invest to protect the NZ aviation industry's reputation – and lift our performance.
