

FATIGUE CONCEPTS

Announcing TWO Courses in Wellington NZ!

FATIGUE CONCEPTS USA is pleased to continue the recent tradition of offering quality training programs in New Zealand.

Venue: Westpac Stadium in Wellington.

Course 1:

Composite Aircraft Structures July 21-22, 2014 Monday-Tuesday

Syllabus: <http://fatcon.com/aircraftcomposites.html>

Tuition = \$899 NZD per student per course until May 31. From June 1-30, \$999. After July 1, \$1299.

Enroll two from the same company for each course, and the third student gets free tuition!

Why not enroll in both courses? The Tuition then becomes \$100 less for each course! Save \$200 per person total!

The courses are held in conjunction with the Aviation New Zealand Leadership Summit in Wellington. There is a compulsory \$44 per person per day cost for food.
