

Dear Irene King,

This email is to invite you to take part in the Civil Aviation Authority (CAA) and Avsec Perceptions of Safety survey. This survey is designed to help the CAA and Avsec make decisions about the safe and secure operation of New Zealand's civil aviation system.

You have been identified as a key stakeholder with an interest in the performance of the CAA and Avsec. **Please forward this email to any other people in your organisation** who you feel would also be interested in taking part in the survey.

The survey should take approximately 5-10 minutes to complete. The majority of questions require you to simply click on your desired response or responses and some require you to type an answer within a box.

So that your views can be included we need you to finish the survey by **Tuesday the 12th of June 2012**.

To start, just click on the link below. If you need to, you can stop the survey at any time on the way through and return to the same point at a later date.

If you would like to contact us about this survey, simply reply to this email or alternatively email us at [survey@colmarbrunton.co.nz](mailto:survey@colmarbrunton.co.nz)

Thank you for your support.

Colmar Brunton
