

What is Celibacy

Celibacy can be a choice in life, or a condition imposed by circumstances.

While attending a Marriage Weekend, my wife and I, listened to the instructor declare, 'It is essential that husbands and wives know the things that are important to each other.'

He then addressed the men,
'Can you name and describe your wife's favourite flower?'

I leaned over, touched my wife's hand gently, and whispered,
'Edmonds, isn't it?'

And thus began my life of celibacy.....
