

NOTICE

Win one of ten \$500 vouchers to spend with your preferred rural supplier with Agrecovery Rural Recycling!

Simply recycle your eligible plastic containers with Agrecovery at over 70 collection sites nationwide during February and March 2013.

Agrecovery Container recycling provides a safe and fully compliant programme for the recycling of plastic agrichemical, biological, animal health and dairy hygiene containers.

Containers from 59 participating brand owners are FREE to recycle through Agrecovery.

Containers must be empty, triple rinsed and 60 litres or under in size. To be eligible containers must still have their label on.

Every collection receipt issued by an Agrecovery Collection site during February and March 2013 constitutes an entry into the draw. You automatically become a member of Agrecovery by using the programme. You can also join for free [online](#).
