

Dear IFHA Members;

On behalf of the International Federation of Helicopter Associations (IFHA), I cordially invite you to attend the IFHA luncheon which has been scheduled during HELI-EXPO 2013 in Las Vegas, Nevada USA. The luncheon will be held in C201 of the Las Vegas Convention Center on Tuesday, March 5, from 12:00 p.m. until 1:00 p.m. (Ask for directions to this room at the HAI Booth on the convention floor.)

If you are personally unable to attend this event, I encourage you to designate a representative of your organization to attend this luncheon on your behalf. The more participation we have, the greater the benefit to the industry. Please do let Dave York know if you, or your representative, will be able to join us for the IFHA luncheon.

During the luncheon, we will be outlining recent activities in which IFHA has been involved and will conduct an open discussion of what the next steps should be to expand our base of international representation and better focus our collective energy on current and anticipated regulatory issues.

Should you have any questions, or to RSVP, please contact Dave York, HAI's VP for Regulations and International Affairs, at david.york@rotor.com. He can also be reached at (703) 302-8451. If you are unable to attend, or would like to have anyone else from your organization attend we would be happy to accommodate them.

Dave's cell phone number on site will be (703) 217-5828, if you need him for any reason, please give him a call.

I sincerely hope you can join us and look forward to seeing you at HELI-EXPO 2013.

Best regards,

Matthew S. Zuccaro
