

Hi Team,

Well a bit more than a day or two but as promised the agenda and other details relating to the "committee of the whole" for the Logistics Division.

**Meeting of the Logistics Division
to be held at 10.30am on Wednesday 9th October 2013
Venue to be confirmed but it will be in AUCKLAND
as close as possible to the airport.**

Apologies

Election of Officers - required:

Division Chair
Deputy Chair
Committee, not less than four nor more than 16 members

The Future for the Division as seen by:

Aviation NZ President
Division Chair
Deputy Chair
Other speakers

Division Subscriptions:

The Governance Board is reviewing the subscriptions of the entire organisation and seeks the view of all divisions as to what they should be and how established. The more the services supplied the greater the benefit to members but the greater the cost

Division Executive Officer:

Decide on the requirement or not for a Division Executive Officer.
Relationship with Aviation NZ marketing staff/activities.

Member Forum:

We have a new Governance Board, Divisions, thrust and resolve. What are members needs and expectations of Aviation NZ? What other messages to the Governance Board, CEO and Council?

Communication Process:

How should Aviation NZ communicate with members? Current newsletter, style, frequency, length, contributors, other aspects?
Should the Logistics Division have its own? By email, on website, both?

Any other communication channels and with whom?

General Business:

Any as notified.

Any questions, comments or concerns please advise.

Best regards

Dale Webb

President
Aviation Industry Association of NZ Inc
