

29th Annual Symposium

Friday 11th April 2014

“Flying in Formation”

To be held at
Civil Aviation Authority of New Zealand
Level 15, Asteron Centre
55 Featherston Street
Wellington
(Opposite Wellington Train Station)

Each year the New Zealand Division of the Royal Aeronautical Society presents a symposium on subjects of interest to the aviation community in New Zealand and the Pacific region.

This year the symposium titled “*Flying in Formation*” relates to Industry and Government working together to deliver continuing prosperity and security for New Zealand.

The symposium will hear from a wide variety of speakers who will cover a range of aviation topics including: -

- What is their organisation / company doing to contribute to prosperity / security
- What are the three greatest challenges that they currently face
- What are the three top things government and / or industry can do to help grow aviation’s contribution to New Zealand’s economy / future.

Following the symposium the Annual General Meeting and Annual Awards Dinner in association with New Zealand Aeronautical Trusts will be held at the James Cook Hotel. New Fellows will be acknowledged and welcomed to the Society on the evening.

Your attendance at these functions is important to the Society. We particularly rely on support from Members of the Society to make these events a success and to appreciate the efforts of those who are able to contribute.

Annual General Meeting

The Annual General Meeting of the New Zealand Division of the Society will be held at James Cook Hotel, 147 The Terrace, Wellington, at 1800 following the conclusion of the Symposium. All members of the Division are invited to attend.

Cocktails and Awards Dinner

The Society Cocktails and Awards Dinner will be held at the James Cook Hotel, with cocktails from 1900 and dinner at 1930
