## **EXCITING NEWS - Your GSB Trade Card will soon be arriving by post!**

### **What is the GSB Trade Card?**

The **GSB Trade Card** is an easy way to access business savings with a range of suppliers in-store, without needing to open an account!

Simply present the card at **participating GSB Suppliers** to receive GSB's trade discounts for cash/eftpos/credit card transactions.

*"What a great idea - much easier than opening an account! The sales staff processed the transaction without any issues."*

*"We want one for all staff members holding corporate credit cards... that way we can link them to the correct suppliers."*

### **Getting started**

Once you've received your Trade Cards, it's important to ensure that each card has been registered against a cardholder prior to use. This is a crucial step in activating the card.

Simply fill in the form on the back of the letter and return it to [ask@gsb.co.nz](mailto:ask@gsb.co.nz) or fax it to 04 916 8701. Alternatively, you can **complete the form online**.

*Important Note: Please allocate cards to those authorised to purchase on behalf of your business (not for personal use).*

### **Using the card is simple!**

	<p>Present your Trade Card when you get to the counter before your goods are scanned.</p>
	<p>GSB discount is applied automatically as the transaction is processed.</p>
	<p>Pay in full at the time of purchase using cash, EFTPOS or credit card.</p>

Your Trade Cards will arrive early next week in the post. If you have any queries, please don't hesitate to contact Peter Royle, your GSB Account Manager, at [peter.royle@gsb.co.nz](mailto:peter.royle@gsb.co.nz).
