CROSS-SECTION VIEW OF WATER FILTRATION SYSTEM

GET 10% OFF HRV HOME VENTILATION

Up to 40% of Kiwis are affected by allergies at one time or another, and more than 10% of our kids battle with symptoms every single day. HRV is here to help every New Zealand family love the feeling of coming home – and a big part of that is filling homes with drier, filtered air. So we've partnered with Allergy New Zealand to help raise awareness and find relief for those who live with allergies.

ALLERGY NZ MEMBERS WILL RECEIVE 10% OFF ON HRV VENTILATION *

*Discount applies to RRP of HRV core ventilation systems with standard installation. Payment terms 20% deposit with order and balance upon installation. Not available in conjunction with other offers or promotions. HRV reserve the rights to withdraw the offer at any time. This offer is available to authorized Allergy NZ members only. Proof of membership may be required.
