				(gross)	

Comments:

Nice Medium framed cows off a tough farm to manage. The property is prone to flooding at any stage of the season, and with no in-shed feeding pasture management is top rate to get 435+ Milk Solids out of these girls. A stable pasture rotation and/or In shed feeding will send per cow production through the roof at their new home.

Young Stock Available:

80x 2022 Born Heifers – BW 228, PW 255. Price TBC

77x 2023 Born Heifers – BW 232, PW 241. Price \$530
