

Blue Martini
PORT DOUGLAS

Bespoke Sports Fishing Adventures

Imagine cruising the idyllic waters of Australia's Great Barrier Reef, on your own private fully-staffed yacht, Blue Martini. This superbly-appointed 68 foot mothership combines luxury with comfort over three levels and has been designed to appeal to a discerning clientele who appreciate the finer things in life. Our onboard chef prepares *haute* cuisine to an international standard inspired by the finest local fare as well as each day's freshly caught fish. Blue Martini sleeps up to eight guests in absolute comfort and offers the ultimate in fishing expeditions, cruising and snorkelling. Three custom built centre consoles and experienced guides complete the ultimate Sports Fishing package. Guests can take up their charter from Blue Martini's home base of Port Douglas or choose to embark from any number of islands or ports along the Far North Queensland coast.

Remote Barra Expedition

FEBRUARY ~ APRIL

Far North Queensland offers some of the best Barramundi fishing grounds on the planet and the peak times are during the lead up to and run off from the wet season. The mature females are in full feed while the younger males are also after anything they can eat before the cooler weather and leaner times come.

Billfish Mania

SEPTEMBER ~ OCTOBER

For a few weeks around the month of September, the waters off Far North Queensland see the influx of migrating juvenile Black Marlin and Sailfish. These feisty young fish are great fun to catch and weigh up to a hefty 80 pounds. The challenge is to see who can use the lightest possible gear to bring them in.

Bluewater Adventure

OPERATES YEAR ROUND

Blue water anglers are renowned for their love of the thrill of the chase and the Giant Trevally is the ultimate prize. As one aficionado sums it up, "All hell broke loose, my GT was pulling like a horse and it was on. This is what it's all about." Reef, wreck and saltwater fly fishing are also popular on the Blue Water Adventure.
