frequently asked questions

What do I carry while on my tour and what happens to the rest of my luggage?

On a walking, cycling or kayak tour your extra luggage will be transported for you each day to your accommodation that night. All you need to have with you is your daypack with your lunch, clothing requirements, camera and incidentals. For cyclists, this can be left in the support vehicle while you are cycling as this is always close by for ready access. Please ensure the luggage you are sending on ahead is limited to one item and is packed in an easily transported overnight bag or suitcase.

On a hiking tour where huts and lodges are less accessible by vehicle, you may be asked to carry your own luggage for some or all of the days of the tour, please refer to your itinerary for details. For this reason we recommend you pack as lightly as possible and carry only the items suggested on your gear check list. For any of our tours, we recommend the use of a waterproof pack liner to keep your personal items as dry as possible.

Do I really need thermals and a fleece, even in summer?

Yes, as some of the areas visited can be exposed, and New Zealand weather can be notoriously changeable, you must be prepared for all weather conditions.

frequently asked questions

How many people are in each group?

Typically, we take a maximum of twelve people on each tour. We feel this gives you the best opportunity to gain as much from your experience as possible and keeps the feel of each tour relaxed and friendly. We are happy to discuss options for groups of more than twelve with you.

How fit do I need to be?

The main purpose of a guided tour is to enjoy your surroundings and learn from your local guide, it's not a race, however the more you can prepare for a tour, the better the experience will be for you. As a general guideline we suggest the following activity level guide for our tours.

Easy: An average level of fitness, Walk 7km, Bike 15km on well-formed tracks and roads with very little incline.

Mild: An average level of fitness, Walk 12km, Bike 25km on well-formed tracks and roads with average incline.

Moderate: An above average level of fitness, Walk 20km, Bike 45km on formed tracks and roads with some average to steep inclines at times.

Challenging: An above average level of fitness, Walk 20+ km, Bike 50+km on partially formed tracks and roads, some off-road, some steep inclines, some easy river and creek crossings.

itinerary

Day 1 Nelson (Richmond) to Motueka

Distance: 47km

We start our journey at Richmond. This section of Tasman's Great Taste Trail winds alongside the scenic Waimea Inlet which is the largest enclosed estuary in the South Island and home to a wide range of sea birds including the bar-tailed godwit, white heron, royal spoonbill, little egret, Australasian bittern, and banded rail. You ride to the popular recreation area/ beach on Rabbit Island and arrive at the Mapua Ferry, which transfers you to the seaside village of Mapua.

Leaving Mapua the trail runs along the coast, where you'll be rewarded with amazing views out across Tasman Bay and up to the Mt Arthur Range and Kahurangi National Park. From here the trail descends gradually to Motueka where you stay overnight.

Day 2 Motueka to Takaka

Motueka to Kaiteriteri 15.3km, Upper Takaka to Takaka 22kms

Leaving Motueka behind, this section of Tasman's Great Taste Trail takes you through the beautiful fruit and hops growing area of the region and on to the picturesque seaside holiday mecca, and one of New Zealand's favourite beaches, Kaiteriteri.

In Kaiteriteri we board the vehicle and drive over the infamous Takaka Hill to Little Takaka. From here we ride down the idyllic Takaka Valley to the township of Takaka where our riding finishes for the day.

You will have time this afternoon to walk around Takaka and enjoy browsing through the arts and craft shops and galleries this area is known for.

Tonight we stay and dine in Takaka.

frequently asked questions

Some tips for training:

Undertake your training using the clothing and footwear you intend to complete the tour in, this will give you the opportunity to make sure they will be suitable for the purpose and to break in your foot wear so as to avoid any discomfort. Train with your pack or day pack on so you get used to bearing the weight and include a variety of terrain in your training including hills and off road. As much as we'd like to we can't guarantee fine weather on your tour so don't hesitate to get outdoors and train on the rainy days as well.

What will the weather be like?

New Zealand is known to have four seasons in a day so you should always be prepared for sudden changes in weather or temperature and have the appropriate gear with you at all times. Rain can be expected at any time throughout the year.

Spring (September-November) and Autumn (March-May) are generally cooler months for experiencing the outdoors with temperatures averaging 15-25 degrees during the day.

Summer (December-February) is usually warmer with averages of 20-30 degrees and longer sunshine hours due to daylight saving. As New Zealand has very little air pollution, UV rays are strong during the summer months and a good sunscreen and a hat are recommended for outdoor activities during the heat of the day.

country information

Culture

New Zealand has a diverse multi-cultural population, the majority of whom are of British descent. New Zealand's indigenous Maori make up around 14 percent of the population. The culture of its indigenous Maori people affects the language, the arts, and even the accents of all New Zealanders. New Zealanders embrace new technology and culture, but they also have a background of quiet but rugged individualism, self-reliance and a passion for invention. Many New Zealanders travel extensively and thrive on learning and experiencing other cultures. They are renowned for their openness, ingenuity and "easy-going" nature.

Environment

Fourteen spectacular national parks preserve New Zealand's natural heritage enshrining a huge variety of landscapes, vegetation and wildlife. New Zealand encompasses rich farmland, mountains, rivers and unsurpassed scenery. The country is slightly bigger than the UK in size. Three-quarters of the population live in the North Island with more than a third of New Zealand's population living in the largest city, Auckland.

The South Island - with its lakes, fiords and spectacular outdoor scenery is the most popular destination for tourists. The gateway to the South Island is Christchurch - a city of approximately 340,000 people.

Recreation

New Zealand's stunning landscapes, lush forests, amazing wildlife and pleasant climate make it a haven for many outdoor activities, and a great place to relax and enjoy life. New Zealanders love the outdoors, especially tramping, camping, skiing and snowboarding. Sailing, surfing and swimming are also favourite pursuits. New Zealand's sports and recreation facilities are inexpensive, abundant and very accessible.
