How is a Mini ODE run?

It is just like an ODE with a dressage test, SJ round and a xc round. However the mini ODE is about training your horse therefore jumping phase is not timed. As soon as your finish your show Jumping round you start your cross country this is a small run of cross country fences (approx 10). Faults are awarded SJ faults for SJ fences i.e stop = 4 faults, XC faults for XC fences i.e stop =20 faults. CT = Combined Training Dressage & Show Jumping Only.
